2007	HeadStart (1 box) 	69.00	62.10
	AmeriSciences® HeadStart is a citrus flavored vitamin C, B12 and B6 enriched energy drink. This is your perfect alternative to coffee and colas for a boost throughout the day and the nutrients your body needs for peak performance.		
2010	Antioxidant Plus (1 bottle) 	62.00	55.80
	This potent blend of ingredients, including Lutein, Beta Carotene and Astaxanthin, gives you the strong antioxidant boost to fight free radicals and support cardiovascular and ocular health.		
2021	Omega Max (1 bottle) 	45.00	40.50
	Molecularly-distilled, highly-potent fish oil derived only from the bodies of small fish. Unlike most fish oil softgels available in the U.S. market, Omega Max is fully compliant with European Pharmacopeia standards – the only true "pharmaceutical standard" for fish oil.		
800016	Tozal Eye Health (2 bottles) 	75.00	67.50
	Your eyes are constantly subjected to the cell-damaging effects of free radicals and poor nutrition. Whether you are concerned about ultraviolet radiation from the sun or simply the normal visual decline associated with aging, the TOZAL components have been proven to neutralize free radicals, and may help preserve visual and macular health.		
406	Prenatal (1 bottle) 	55.00	49.50
	AmeriSciences Prenatal's blend of Ginger Extract, Iron, Choline and Folate form the basis of this formulation's support of fetal cognitive development and your overall health during and after pregnancy. Take this premium blend even before pregnancy to remedy the deficiencies in your diet and prepare your body for your baby's needs.		
2004	Slim (1 bottle) 	75.00	67.50
	Slim is your natural and safe weight loss alternative. Ephedra-free, Slim curbs your appetite and provides your body with the natural tools to make it a more efficient processor of the nutrients you provide it.		
401/402	Slim Right Cappuccino/Vanilla (1 box) 	65.00	58.50
	AmeriSciences Slim Right encourages fat metabolism and promotes lean muscle mass to help you achieve your weight loss goals. Indulge in a Very Vanilla or Cool Cappuccino shake as you suppress your appetite and energize your body with this effective blend of Whey and Soy Proteins.
