The Cholestech LDX® System:  
Full Lipid Profile, Glucose or ALT-AST in

5 minutes

## The Power of Face-to-Face Counseling

Now, with the Cholestech LDX System, you can get CLIA-waived, lab-accurate **lipid profile, glucose or ALT-AST results**. Right in your own office. In just 5 minutes.

All tests are reimbursable by Medicare and most private payers.

Increase control and management of two of the most prevalent chronic diseases in the world today— heart disease and diabetes.

Get test results in just 5 minutes while the patient is still in your office. So you can counsel face-to-face. And improve patient outcomes.
