

The Cholestech LDX® System: Full Lipid Profile, Glucose or ALT-AST in

5 minutes

The Power of Face-to-Face Counseling

Now, with the Cholestech LDX System, you can get CLIA-waived, lab-accurate **lipid profile, glucose or ALT-AST results**. Right in your own office. In just 5 minutes.

All tests are reimbursable by Medicare and most private payers.

Increase control and management of two of the most prevalent chronic diseases in the world today— heart disease and diabetes.

Get test results in just 5 minutes while the patient is still in your office. So you can counsel face-to-face. And improve patient outcomes.

Results in 5 minutes.

Stick.

Collect blood sample from fingerstick and add to test cassette.

Click.

Insert the cassette and press the Run button.

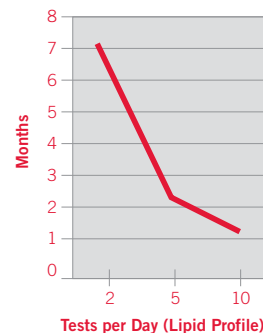

Done.

Results ready to discuss with patient in just 5 minutes.

Cholestech LDX®

RESULTS. WHEN AND WHERE YOU NEED THEM.

The Cholestech LDX[®] System Typical Payback Analysis.
