

DrugCheck[®] Test Cups

NxStep OnSite

The First Drug Test Designed For The Person Giving The Test!

DrugCheck is the next step in drug screening. It is the easiest on-site drug test on the market. It's cup allows for collection, testing and transporting all in one system, saving you time and money.

What is NxStep?

What distinguishes DrugCheck NxStep from other onsite products is its superior ease of use. Unlike other tests, DrugCheck requires no handling or manipulation to activate testing. Our product is FDA approved and has the same accuracy when compared to certified lab testing.
