HMSC is now offering a free rental program for our current customers. For your Health Testing events that require additional equipment, HMSC will provide the Cholestech LDX analyzers for a 15-day period at no charge provided you purchase a minimum of \$300.00 worth of cassettes per LDX. Order your LDX's early, free offer limited to availability of LDX units. You may reserve your free LDX rentals up to 90 days in advance using our on-line LDX reservation form. A two week notice will be required for requests of more that 16 LDX's. For unique events or smaller screenings where this offer would not be beneficial, our \$75.00 per unit per 15-day period rental program is still available.

★ Cassettes must be ordered and shipped with LDX units.

★ Loaner unit freight charges will be applied to your cassette invoice.
