Southern California Leasing has been in business for over 10 years. We are a nationwide company that provides financial services to companies of all sizes. Our good reputation has made our company #1 in the equipment financing industry.

One of the unique things we offer is the ability to structure various lease transactions. We are contracted with multiple funding sources which enables us to provide more competitive rates and flexible terms.

Our dedication to our customers and vendors has made us a company you can trust.

Barbara Griffith
President

At Southern California Leasing we offer fast credit approvals, and custom-tailored solutions to address almost any financial need that mid-sized businesses face. To qualify for this leasing option you will need to have a company name, with a business checking account in that company's name. Also, a telephone number registered in your company name. Proof of insurance on the leased equipment is required.
